

**If you are an active member who joined before October 2023 and were not able to utilize your onsite perks prior to our site's temporary closure, we are happy to offer alternative benefits!**

### **Sea Lion Club Members**

In lieu of your docent led Visitor Yard Tour, you will receive an invite to TWO sea lion releases rather than the ONE included in your membership. No action is needed on your part. If you already attended your one allotted release, you will automatically begin receiving release invites again until you are able to attend your second or until your membership expires.

### **Pacific Pinniped Club & Protector Circle Members**

While we cannot offer behind the scenes tours of our hospital at the moment, we want to offer a different opportunity to follow a marine mammal's journey. Pacific Pinniped Club and Protector Circle members will be offered a Fahlo bracelet, which allows members to track a real marine mammal in the wild! You'll be given your assigned animal's name and photo and using an app, you'll be able to track their journey.

If you'd prefer to hold onto your behind the scenes tour benefit you are welcome to utilize it upon the opening of our new hospital instead of claiming your Fahlo bracelet. If you'd like to claim your bracelet in lieu of a behind the scenes tour of our new hospital please email [bliscoe@pacificmmc.org](mailto:bliscoe@pacificmmc.org).

### **Advocate Circle Members**

While we cannot offer behind the scenes tours of our hospital and observation of patient feedings at the moment, we want to offer a different opportunity to follow a marine mammal's journey. Members at this level will be offered a Fahlo bracelet, which allows members to track a real marine mammal in the wild! You'll be given your assigned animal's name and photo and using an app, you'll be able to track their journey.

We'd also like to offer Advocate Circle Members a free ticket to experience a whale watching trip in Orange County.

If you'd prefer to hold onto your behind the scenes tour and patient feeding observation benefits you are welcome to utilize them upon the opening of our new hospital instead of claiming your alternative benefits. If you'd like to claim your Fahlo bracelet and whale watching

ticket in lieu of your behind the scenes tours and feeding observations please email [bliscoe@pacificmmc.org](mailto:bliscoe@pacificmmc.org).

**Benefactor Circle Members**

While we cannot offer behind the scenes tours of our hospital and observation of patient feedings at the moment, we want to offer a different opportunity to follow a marine mammal's journey. Members at this level will be offered a Fahlo bracelet, which allows members to track a real marine mammal in the wild! You'll be given your assigned animal's name and photo and using an app, you'll be able to track their journey.

We'd also like to offer Benefactor Circle Members TWO free tickets to experience a whale watching trip in Orange County.

If you'd prefer to hold onto your behind the scenes tour and patient feeding observation benefits you are welcome to utilize them upon the opening of our new hospital instead of claiming your alternative benefits now. If you'd like to claim your Fahlo bracelet and whale watching tickets in lieu of your behind the scenes tours and feeding observations please email [bliscoe@pacificmmc.org](mailto:bliscoe@pacificmmc.org).
