

Pinniped Adoption Center

With each passing year, Pacific Marine Mammal Center is seeing greater numbers of seals and sea lions stranding on local beaches in desperate need of medical attention. You can help! By symbolically adopting one of our patients, your tax-deductible gift will go directly towards the food and medication our current patients need in order to recover and be returned to the wild.

Each of these marine mammals represents hundreds of other current patients that need support to recover at Pacific Marine Mammal Center. Adoption fees also go towards veterinary research and educating the public on marine mammals and the protection of the ocean environment. Adopt a marine mammal today and make the difference in the lives of our patients!

With each \$35 adoption you will receive:

- photo of your adoptee
- a commemorative plush marine mammal
- personalized certificate of adoption
- animal biography and species information
- recent issue of our newsletter
- satisfaction you have helped a marine mammal in distress
