

“MEALS FOR SEALS” MARINE MAMMAL SPONSORSHIP

You have the opportunity to sponsor one of Pacific Marine Mammal Center’s patients through our “Meals for Seals” program. Your donation will help provide fish for one of the seals or sea lions in our care during the animal’s stay at the Center. At the time that an animal becomes available for sponsorship, you will be notified and are welcome to visit the patient during its rehabilitation. You will also be invited to the animal’s release. On occasion, in the best interest of an animal’s health, we may need to release an animal on short notice. If this occurs and you cannot be there, we will send you pictures of the release and an invitation to a future release. When you support “Meals for Seals” you participate in giving our seal and sea lion patients a second chance at life.
