PATHWAY FOR PINNIPEDS

Pacific Marine Mammal Center invites you to join the engraved brick fundraising campaign to help raise funds for the renovation of the Nursery and Intensive Care Units. By purchasing a personalized engraved brick, your tax deductible contribution will go towards providing a better environment for our most critical animals, while giving you the benefit of having your brick forever displayed in the pathway of our main viewing area!

The bricks are engraved using state of the art laser technology, which will ensure that the bricks will last for many years to come. You will be able to bring your friends, family and future generations to see your name or the name of your company, and know that you were a part of building a better future for marine mammals!

The bricks are a unique way to give to Pacific Marine Mammal Center, but also to enjoy your personal contribution for years to come. Order your customized brick today and help us pave a path for a brighter tomorrow!
